The floor plan shows a building layout with several rooms and a central list of identifiers. The rooms are labeled as follows:

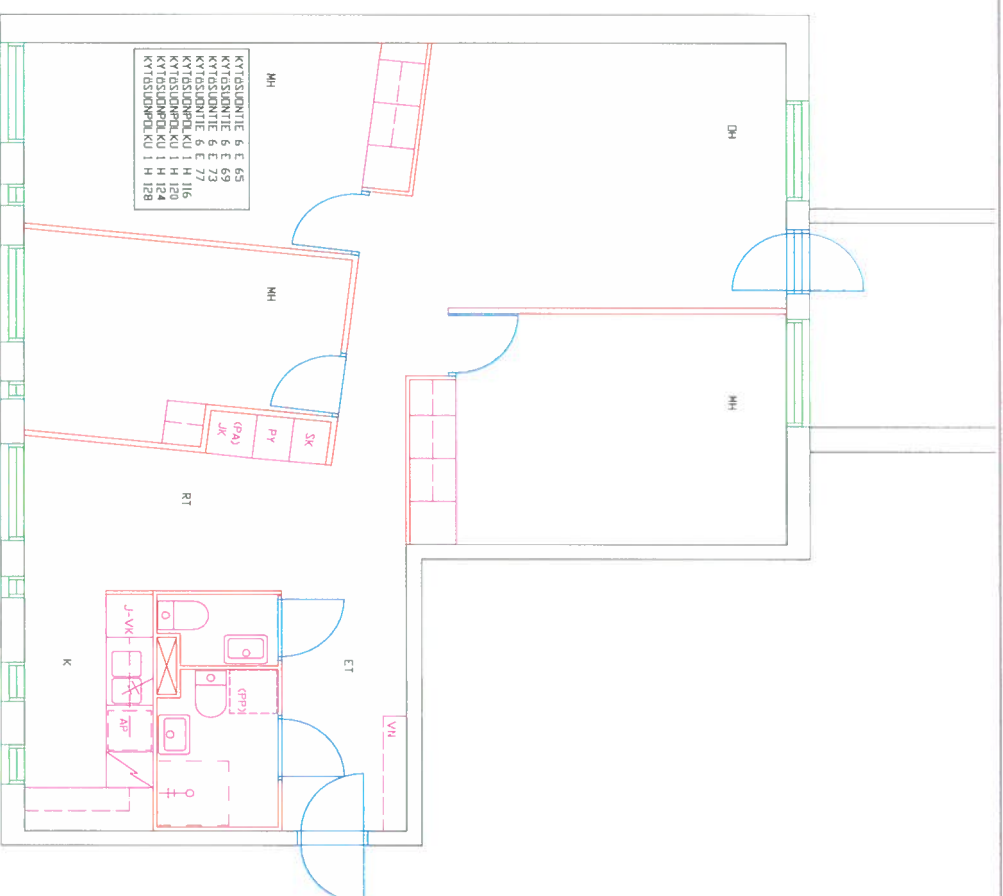

- KH**: Kitchen, located in the top left corner.
- KK**: Kitchenette, located in the top right corner.
- KI**: Kitchenette, located in the middle left area.
- KJ**: Kitchenette, located in the middle right area.
- KL**: Kitchenette, located in the bottom left area.
- KM**: Kitchenette, located in the bottom right area.
- ET**: Entrance, located in the bottom left corner.
- SK**: Storage, located in the bottom right corner.
- WH**: Warehouse, located in the bottom right corner.
- BP**: Bathroom, located in the middle left area.
- CP**: Corridor, located in the middle left area.
- DP**: Corridor, located in the middle right area.
- EP**: Corridor, located in the bottom left area.
- FP**: Corridor, located in the bottom right area.
- GP**: Corridor, located in the bottom right area.
- HP**: Corridor, located in the bottom right area.
- IP**: Corridor, located in the bottom right area.
- JP**: Corridor, located in the bottom right area.
- KP**: Kitchenette, located in the bottom right area.
- LP**: Corridor, located in the bottom right area.
- MP**: Corridor, located in the bottom right area.
- NP**: Corridor, located in the bottom right area.
- OP**: Corridor, located in the bottom right area.
- PP**: Corridor, located in the bottom right area.
- QP**: Corridor, located in the bottom right area.
- RP**: Corridor, located in the bottom right area.
- SP**: Corridor, located in the bottom right area.
- TP**: Corridor, located in the bottom right area.
- UP**: Corridor, located in the bottom right area.
- VP**: Corridor, located in the bottom right area.
- WP**: Corridor, located in the bottom right area.
- XP**: Corridor, located in the bottom right area.
- YP**: Corridor, located in the bottom right area.
- ZP**: Corridor, located in the bottom right area.
