

Hand-drawn architectural floor plan of a building. The plan shows a central rectangular area labeled "2H+K" and "48,5 m²". To the left is a large circular area. To the right is a rectangular area labeled "K02". Above the central area is a rectangular area labeled "SH 3 pk". The plan includes various rooms, corridors, and structural elements like walls, doors, and windows. Dimensions and labels are written in black ink.

 $2\text{H} + \text{K}$ $48,5 \text{ m}^2$
